Garry,
To one of the
sweetest and
tuffest guys I have
had the pleasure of
knowing. Never forget Geometry
class or "Elma's." Have fun, but
be good! May God bless ya!
Best wishes always.
(a good friend?) Have ya,
Pat

To you,
there isn't much I can
say that's very good about you!
Just stay as you are and you'll be
a big "flop!" (HA! HA! ONLY KIDDING)

1967 SCOOP VOL. XXIX

JACKSON MEMORIAL HIGH SCHOOL, Massillon Ohio

“There is no royal road to learning”

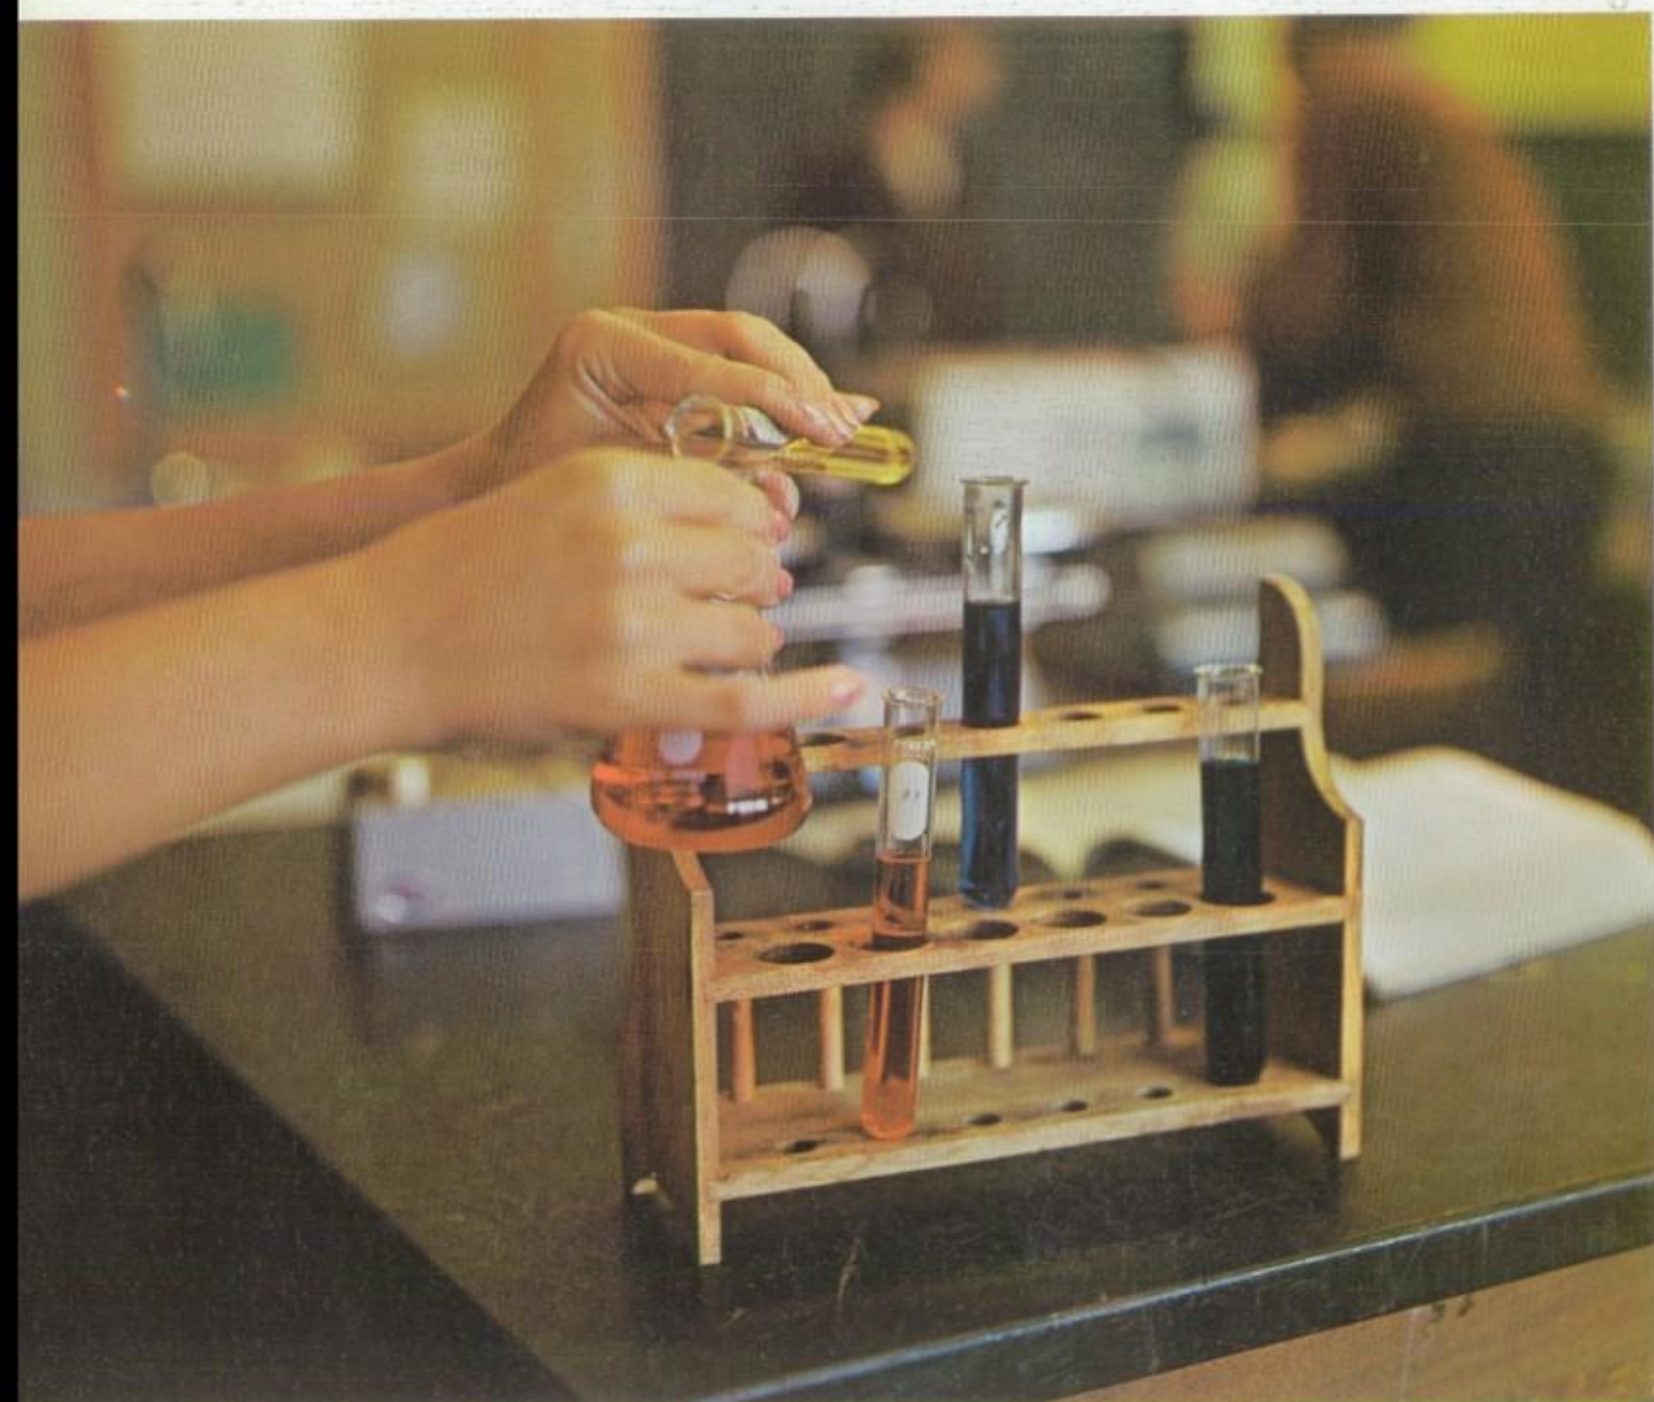

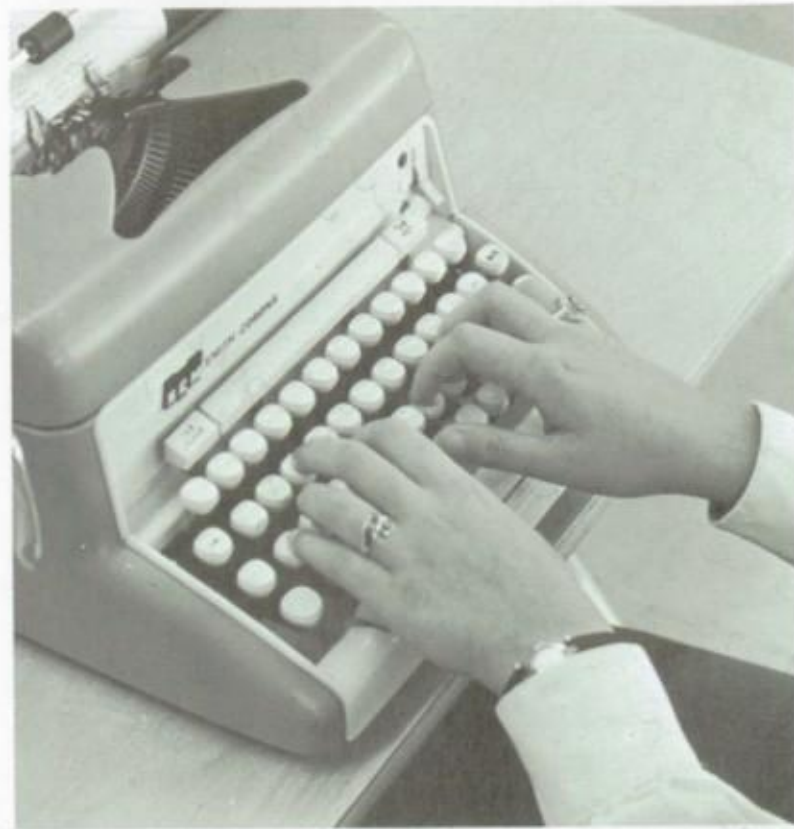

The road to learning is a long road which we travel all our lives. Yet the greatest distance is traveled our high school years. During these years, this road takes on the greatest variety of looks. One day it is paved and smooth, the next it is dusty and rough. The 1967 SCOOP staff has tried, this year, to capture the road of learning at Jackson High School with its many faces. We are sure, that as the years go by, this book will become one of the most treasured guide posts of the long road which you have traveled.

Hands pave the way . . .

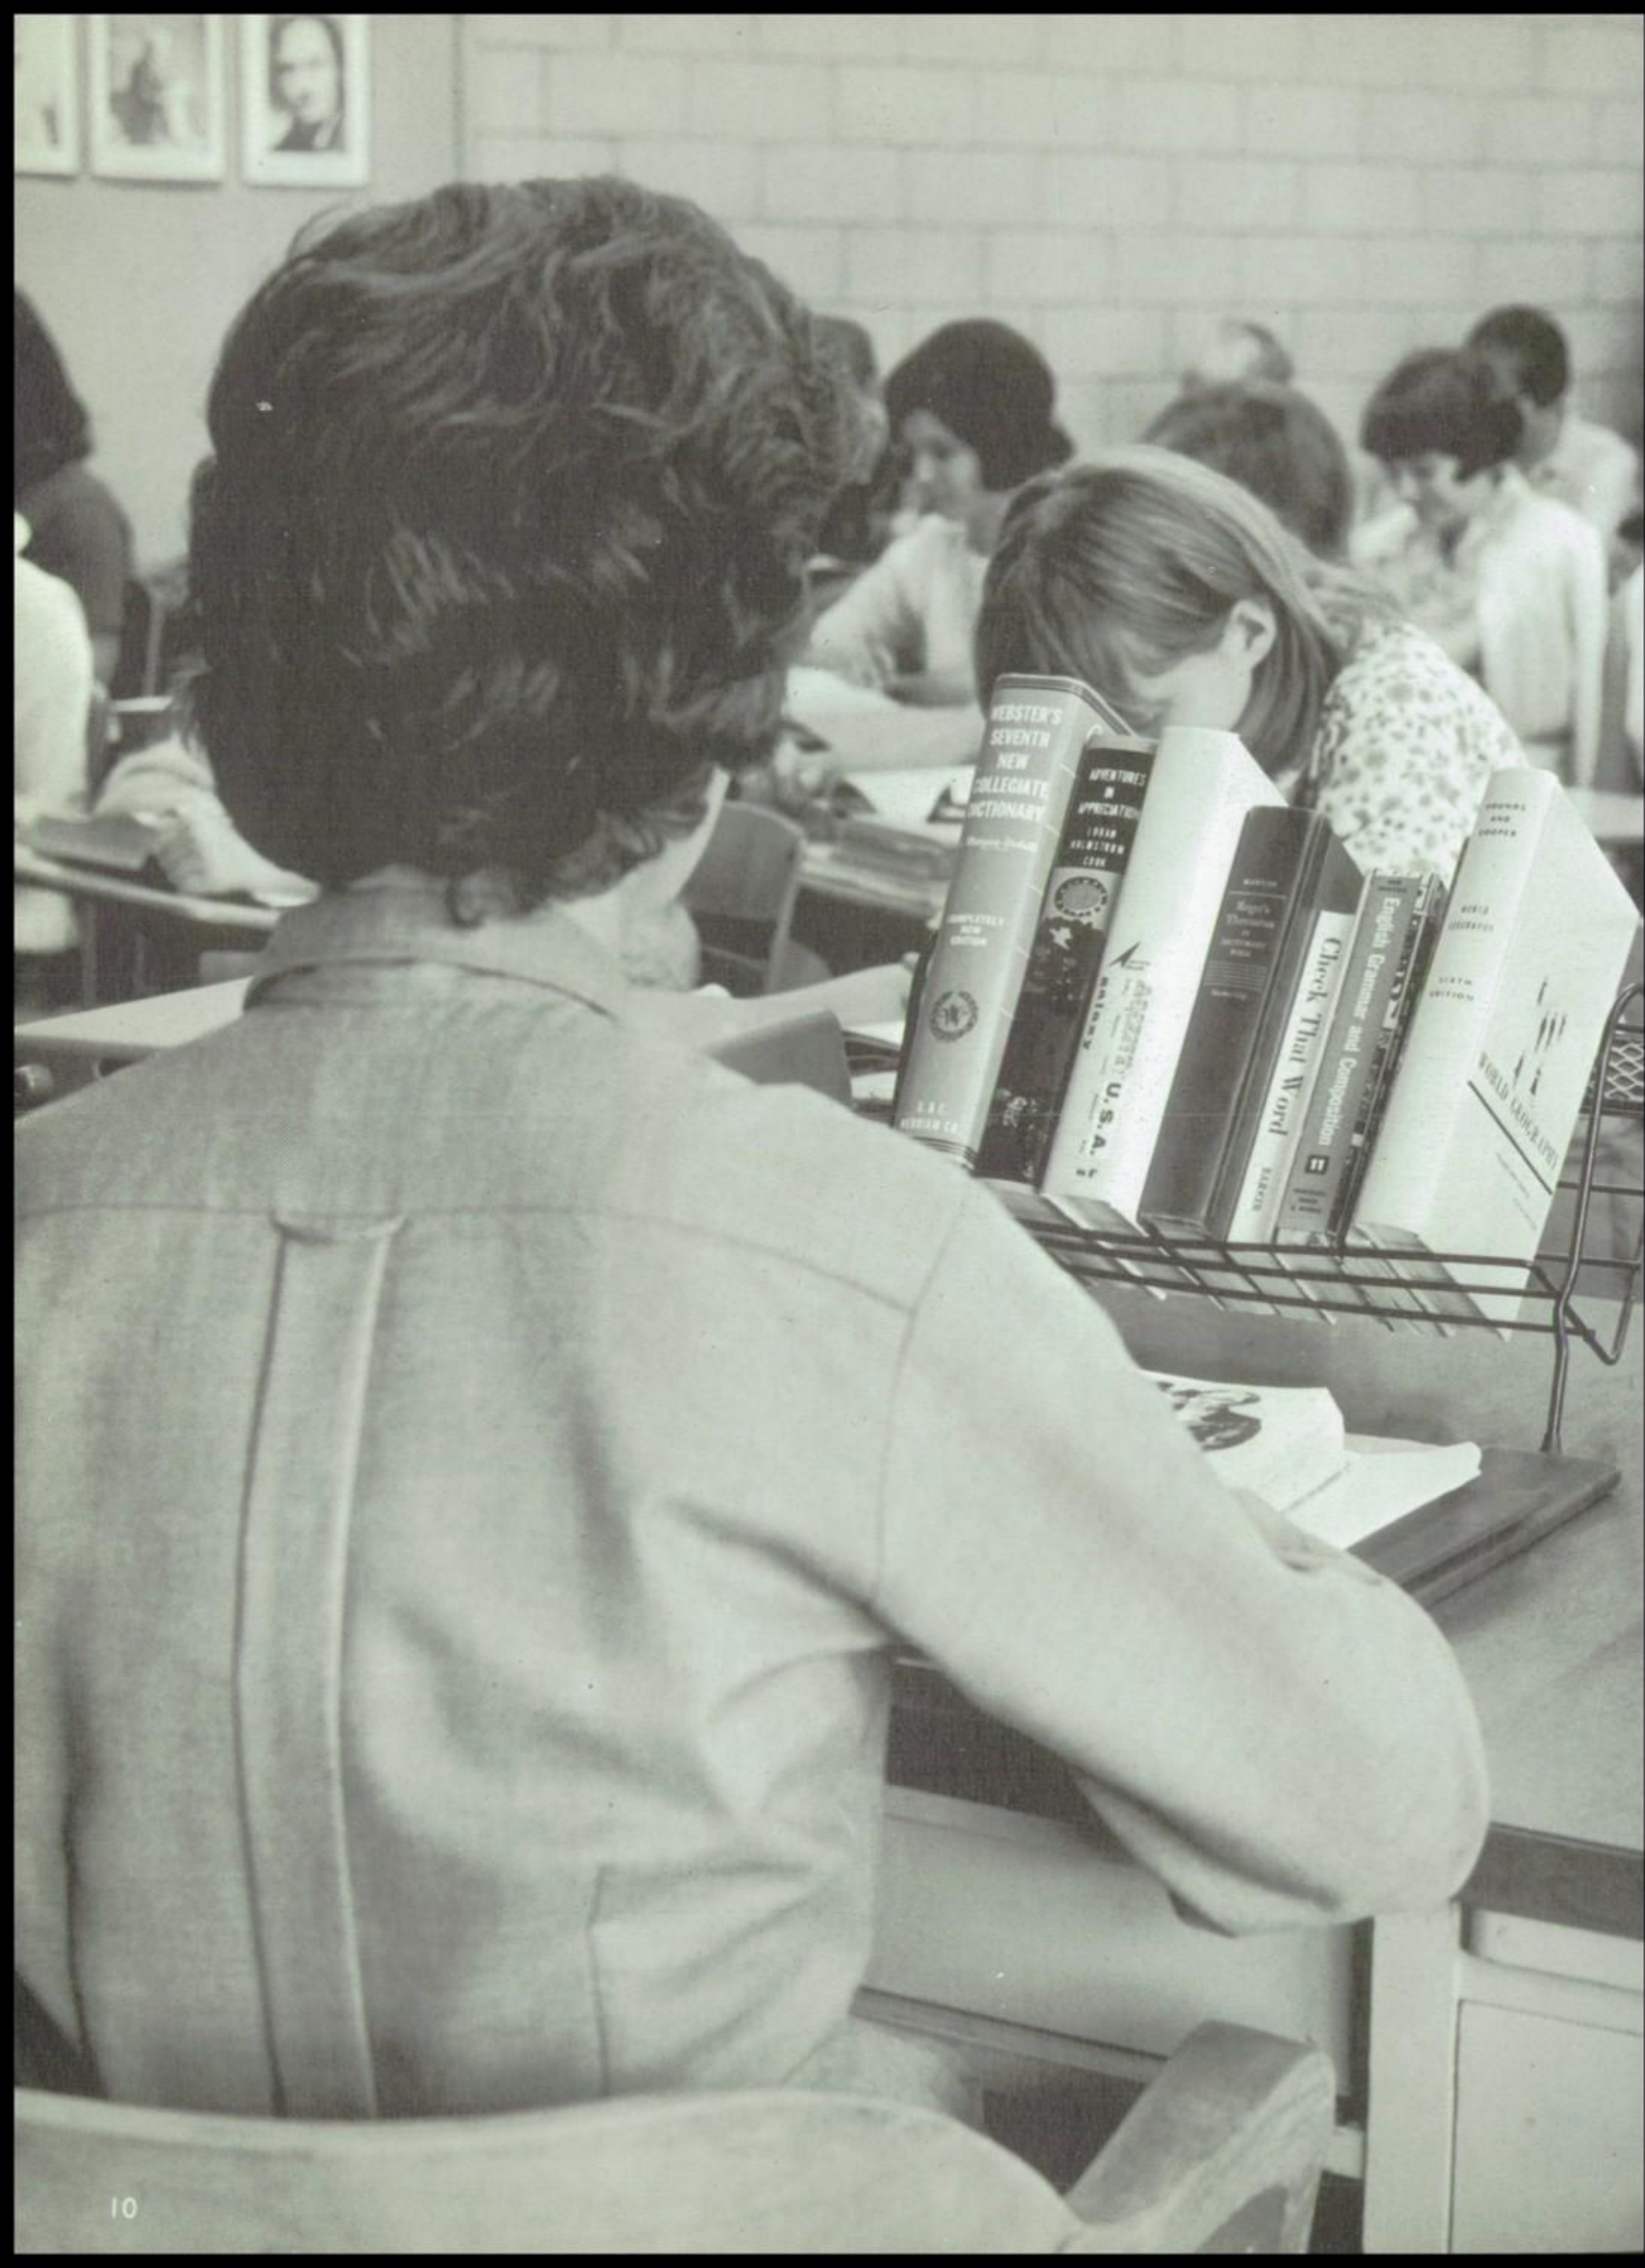

Our high school years are the most essential on the road to learning. These pictures are some familiar scenes, in and around our school. They represent some of the most memorable miles of our high school years.

The doors to learning remain open
always to us, the students.

Garry,
You are a really
sweet person with
a great personality. Without
a doubt you'll go far in
whatever you do. Always
remember the riot in English,
Captain Aston. Best of
luck always.

CLASSES '67

THE SENIOR CLASS OF 1967

The time in our lives which we have all so eagerly anticipated has at last become a reality. Though the initial reaction at the thought of our graduation is one of sheer ecstasy, I'm sure all of us cannot help but be a little apprehensive about the future as we prepare to take an important step in our lives. Although our pursuits will undoubtedly be many and varied, there is one guideline by which all of us can try to pattern our lives: regardless of what path is taken, it must be remembered that, as adults, it is our obligation to contribute to, rather than hinder society or, as our class motto puts it, we must be part of the answer and not part of the problem. We are not only indebted to society, but also to our parents and teachers who have tried to the best of their ability to prepare us for the world. Also, as we enter the second phase of our lives, let us not forget that there is still time to amend mistakes which we have made and to resolve to attain the goals which we have set. Best of luck to the Class of 1967!

JUNIORS

As the graduating class of "68", we will soon be receiving the title of "The Senior Class". When we accept this title we accept much more than a name, we accept an obligation, an obligation to the incoming students and the underclassmen. We no longer pattern ourselves after the upperclassmen, but now we are the patterns. We are going to be the examples that the underclassmen view and we must assure ourselves that these examples will be truly "seniors". We are no longer the followers, but now we are the leaders. Let us make sure that the coming year is advantageous not only for ourselves but for the whole student body.

FRESHMEN

When the class of '70 entered Jackson High School last fall, many things were new and strange to us. Most of us thought that we would never quite fit into high school life. But through various school organizations, we have become an important part of Jackson High.

Our class has done its share of work this year, but we must not stop here. We must take up the work of the classes before us and work to keep Jackson the great high school that it is.

Partridge, the narrator of *Tom Jones*, spiced the play with his subtle humor.

The curious Lady Bellaston chats with Sophia and Harriet Fitzpatrick about Master Tom Jones.

Even though Tom was accused by many of being inconstant, at the close of the play Sophia and he were happily wed.

Before Tom's real birth was known, his love for Sophia was frowned upon by Mr. Western and his sister.

Jenny Jones was falsely accused by Squire Allworthy of being Tom's mother.

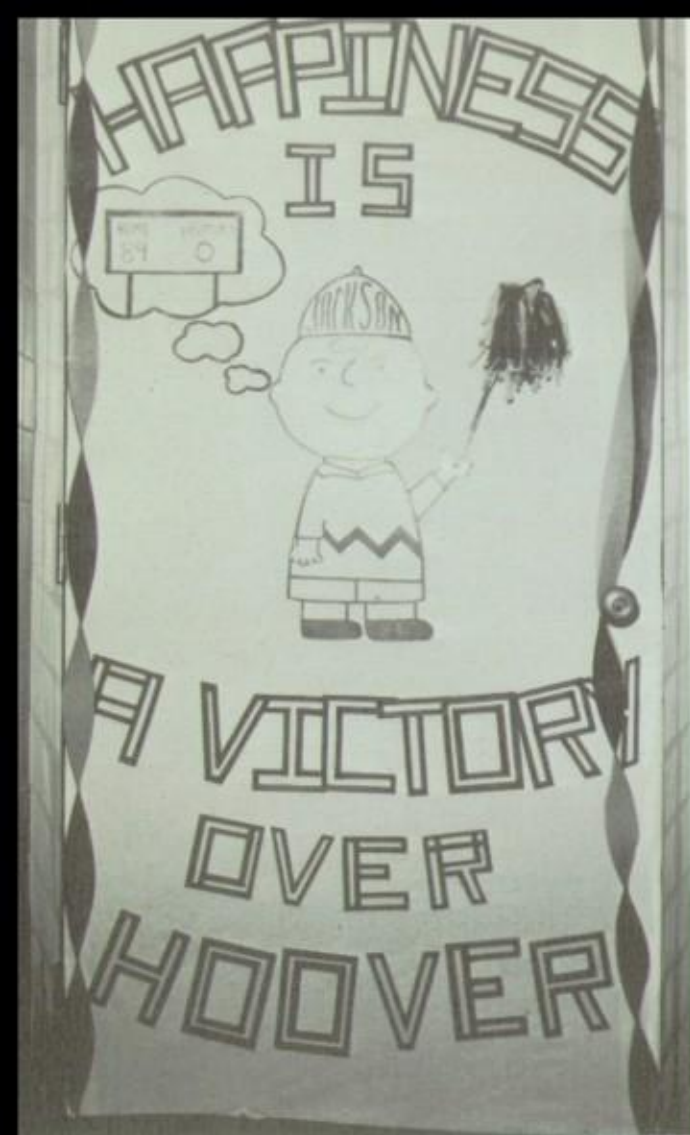

Above: Blifil, who was educated by Rev. Thwackum and Mr. Square, was the boastful companion of Tom Jones.

The frustrated Highwayman was shoved around by many people, including a mad Irishman.

Left: From the looks of the make-up room, no one would guess the play would run as smoothly as it did.

A first at Jackson this year was decorating homeroom doors for the rival football game with Hoover. Sponsored by Student Council, room 214 won and was awarded free tickets to the game.

Would you believe the Junior Class clean up committee?

WHLO Good Guy Johnny Andrews added laughter and encouragement to the Perry football rally.

Senior John Arigoni was awarded this sign and also an engraved plaque by the president of the Jackson Lions Club. We're darn proud of you, John.

Left: Ye olde chow line

Right: Wasn't that snake dance and bonfire rally for the Glenwood football game great?

Principal Andrew Steve adds another honorary plaque to the lobby trophy case. This particular award recognizes the Scoop advisor, Mr. Cecil Ramga.

This oil painting in the main office was a gift presented to Jackson by its artist, Hye Sook Whang. Sue is our foreign student from Korea. During her stay in America, she lived with the family of Senior Penny Kidder.

Thanks go to Roseann and all the other cheerleaders for spending their time in making posters to rouse school spirit.

Le Cercle Francais

All students who are enrolled in French are members of "Le Cercle Francais." The purpose of the club is to provide further opportunity to the students for learning French and to acquaint them with the customs of the French people. They do this through correspondence with French students, by hearing speakers who have been in France, and by viewing pictures.

The students sold light bulbs to replenish their treasury. The annual service project was the donation of mittens for needy children and small gifts for needy adults at Christmas. The final activity of the year was the annual banquet.

The National Honor Society

Eligibility for the National Honor Society requires that a student must have at least a 3.3 point average. The faculty then votes on each student on the basis of leadership, character, and service. Once inducted into the society each member must maintain a 3.1 average. The induction ceremony is an impressive candlelight service conducted by the senior members. Under its advisors, Mrs. Hillebrecht and Mr. Bergen, the society has hopes of an educational trip, a social function, and an orientation program for the incoming freshmen. The aims of the National Honor Society are to promote the qualities scholarship, leadership, character, and service of each person.

The FTA this fall heard college students recount their experiences. They are: Connie Nelson, Diane Graening, Terrie Melvin, Judy Pritz, Jeff Mantor, Mike White, and Janet Miller.

The highlight of the FTA meeting—REFRESHMENTS.

The Future Teachers participated in quite a few activities this past year in different areas. As well as having a regular meeting each month with varied types of programs, the group visited Bowling Green University in the middle of March. The service project this year was tutoring Jackson students who needed help. A banquet was given at the end of the year in honor of the senior members. Two of the most interesting meetings were the talks given by the foreign exchange students and the college students. The highlight of the year was teacher career day. All the Junior and Senior members taught the classes.

The club's activities consisted of the Massillon-Canton Y-Teens Formal in November, a contribution to a Christmas welfare, the world-fellowship banquet in March, and a swinging pajama party in February. With the help of the cabinet members and the advisor, Mrs. Day, the Y-Teens was educational and entertaining. Last summer a new audio system costing over \$5,000, was installed in the auditorium. There will be better sound and lighting for the assemblies, plays, and dances.

Office Help

Girls that help in the office have many jobs. Their main duty is to tend the switchboard, answering and directing all incoming calls. She may run errands, type, or in any other way aid the secretary or Mr. Steve. Her job will vary depending upon which period she is scheduled for. For instance, 1st and 2nd periods are devoted to the typing and distributing of the morning announcements. Fourth period often takes care of morning absentees returning for their afternoon classes. Fifth, sixth and seventh also have their special duties. This time spent in the office can be valuable on the job experience if it is regarded seriously and not just as a free period.

The Girls Athletic Association

The purpose of the GAA is to promote an interest in athletics, develop good sportsmanship, and to provide an opportunity for participation in physical activities among high school girls, regardless of skill and experience.

Among the activities included in the program of the GAA are volleyball, basketball and kickball. Meetings are held twice a month, at which time organized games are played. This year basketball and volleyball teams were formed for intramural competition, and an Activities' Playday with surrounding schools was held in the spring.

Pep Club

Wrestling Pep Club was organized to give the high school girls a chance to become involved in the sport by keeping official time, riding time, scoring, ticket taking, along with publicizing each meet. They also made bears for the wrestlers to wear the day of the match. At the wrestling banquet, the club awarded a trophy to the most improved varsity wrestler and a medallion wrestler's key chain to each of the varsity wrestlers.

Mr. Richard McMullin, the director of the A'Capella Choir, has done a wonderful job this year.

In the fall the choir presented to the public the "Messiah". The choir performed a Christmas Concert together with the band. Early in December the choir went to Cleveland to sing on Channel 5 T.V.

In the Spring they performed a Spring Concert and the production of "South Pacific". They also participated in the District Choir Contest which was held at Jackson and performed their Easter assembly and Baccalaureate Services.

Jackson Memorial High School Band

The band wishes to extend its appreciation for the support of the student body this year. It has aided the development of our band greatly.

As the year began the band traveled to Carrollton to band camp. This was our major stimulus. In addition to marching at all the football games, the band went to Massillon and Orrville for band shows. This year Jackson was also the host to a big band review in honor of our lost band member Dave Tilley.

The band was also honored this year to play for two United Fund kickoff banquets which gained a lot of respect for the band.

The band will enter into competition again this year working for another superior rating.

Once again, we thank the students for their support.

SPORTS '67

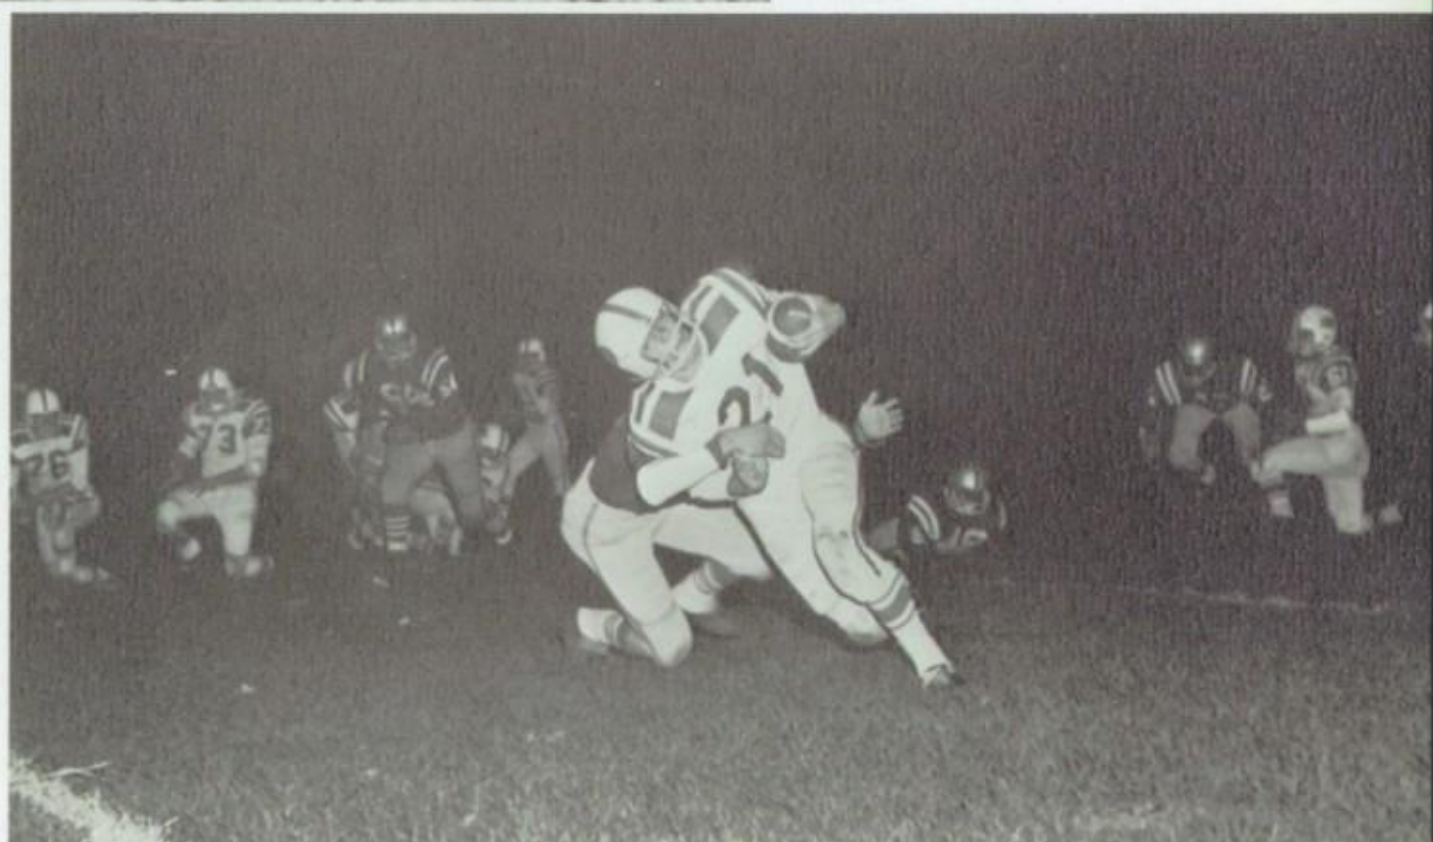

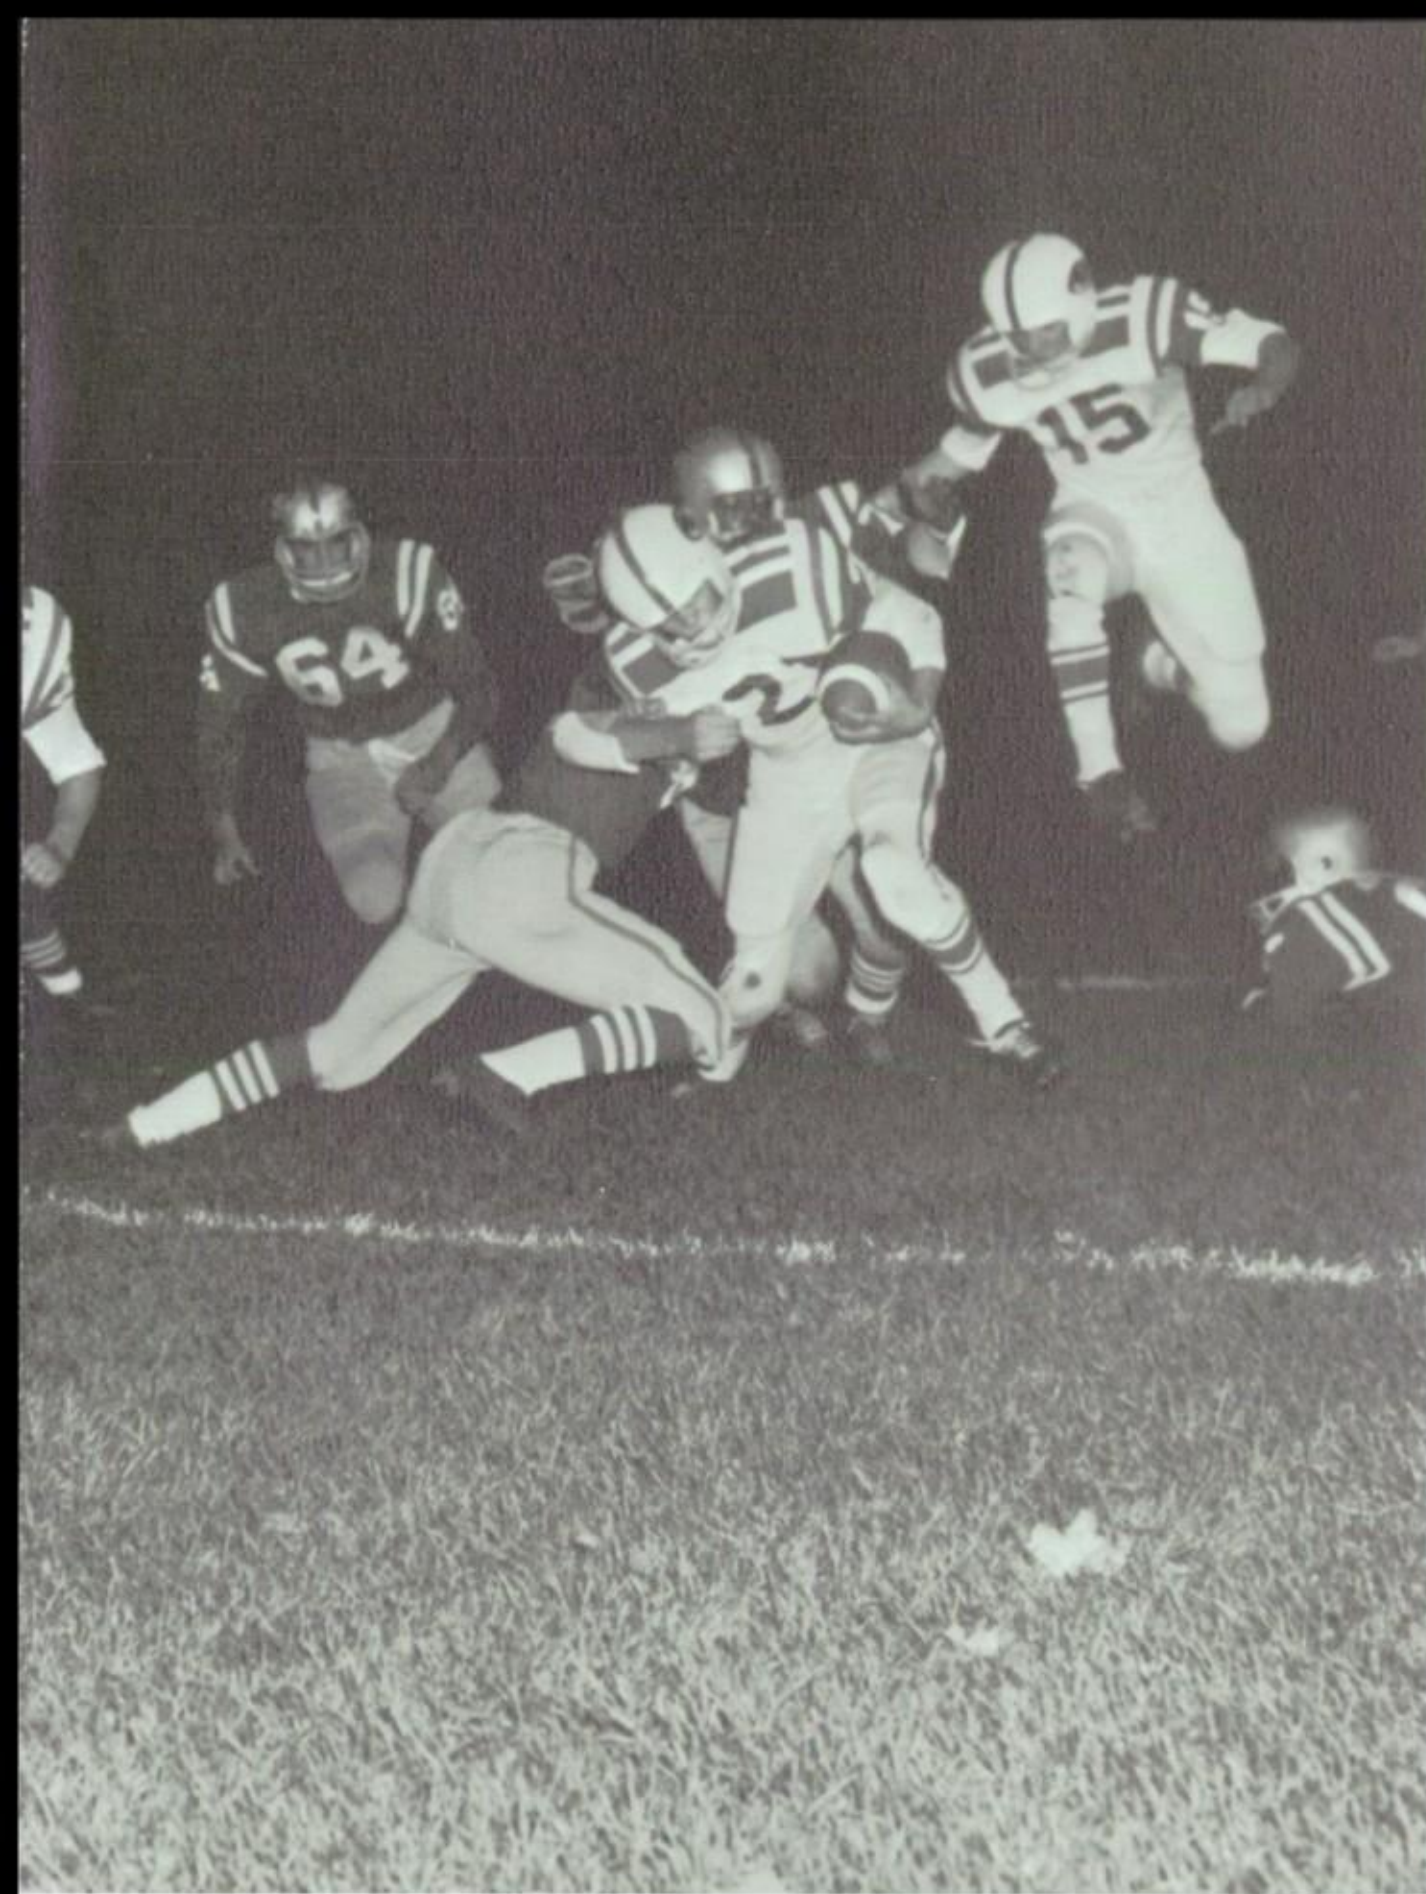

Football 1966

The 1966 Polar Bears finished another outstanding football season with a 5-5 record. Though the team's first game was a bad start, our Bears never stopped hustling and had the spirit that keeps Jackson on top.

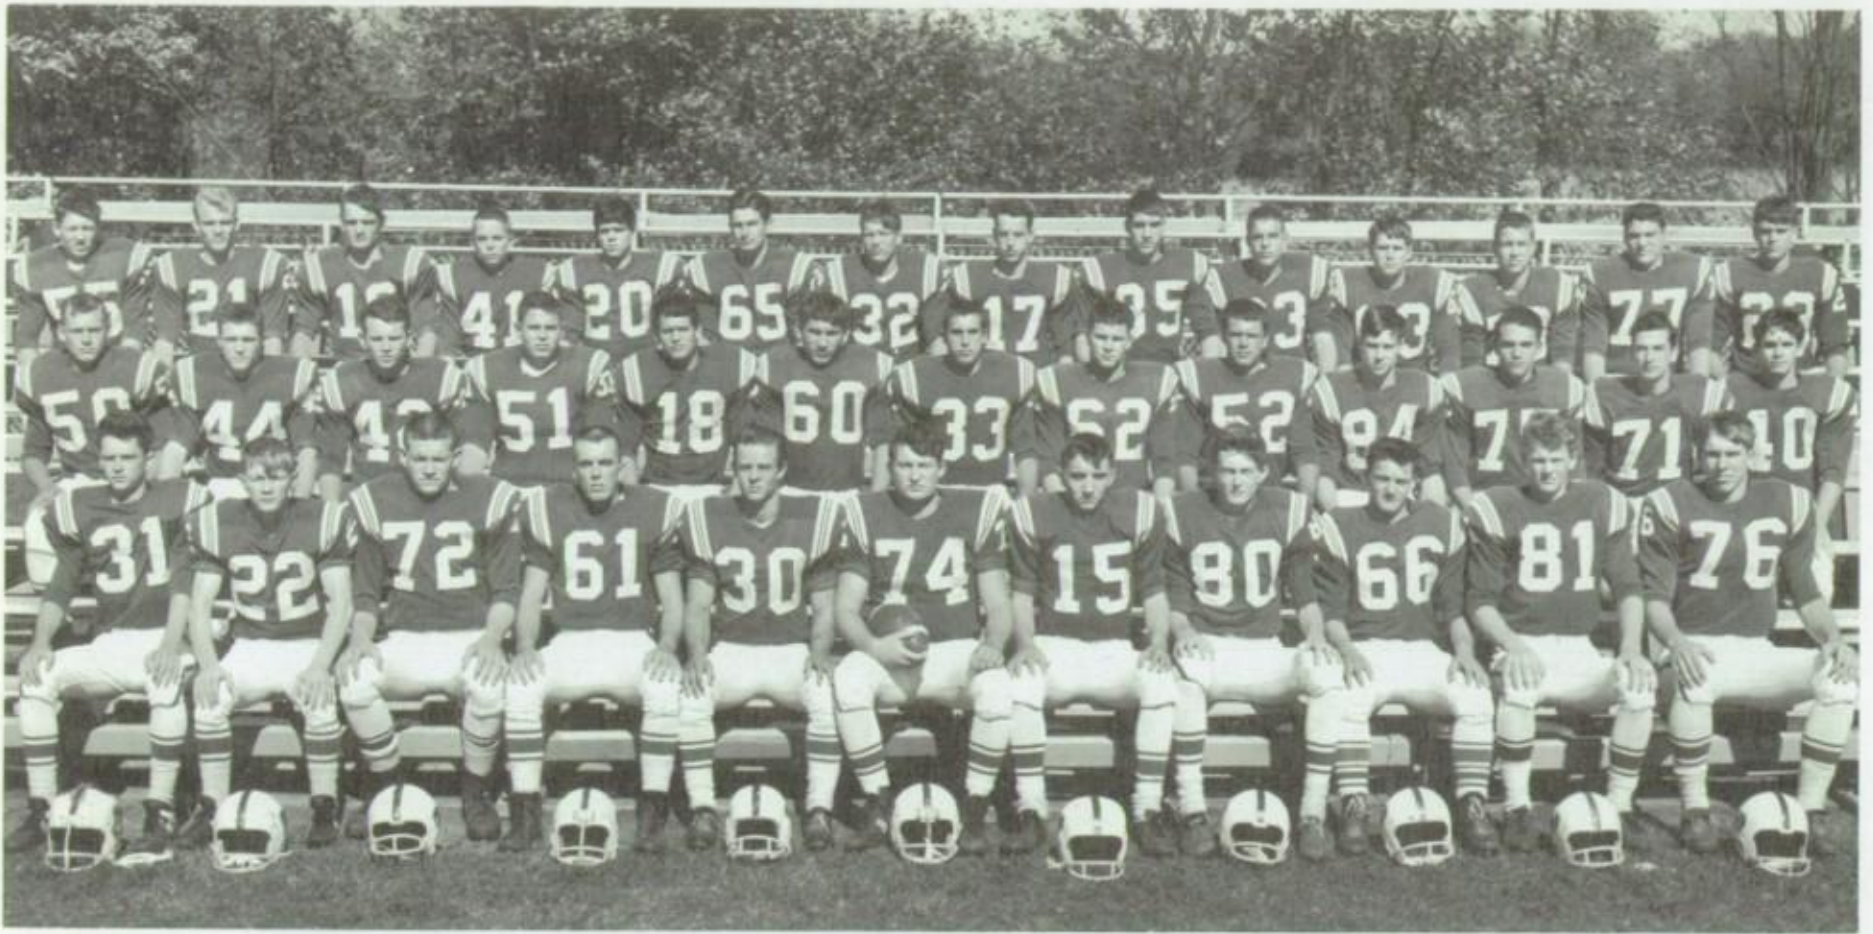

Three members of the team were selected for the Federal League offensive and one was selected for the Federal League defensive team.

The varsity wasn't the only team that had a great season, so did our reserve and freshman teams. We're looking forward for a great team in "67"

Homecoming '66

On October 14 the football team gave lovely Homecoming Queen Becky Howald and her court a 50-20 victory over Sandy Valley before a spirited crowd of many. Queen Becky, escorted and crowned by Student Council President John Arigoni, was attended by Felicia Prato, senior; Patti Helscher, junior; Val Lappin, sophomore; and Barb Hartong, freshman. Little Miss Monica Lutz and JayBee bore the crown onto the football field. The Queen and her court were honored the next evening at the Homecoming Dance, "A Queen's Victory".

'66-'67 Basketball

Jackson had a rough season on the hardwood this year. The record of 3-15 doesn't quite do justice to the team of boys who fought with all they had and continued to show great spirit even after fifteen losses—several of which were close heartbreakers. The continued spirit finally paid off because the Bears ended the season with a string of three wins. Although the season wasn't a spectacular one, the drive and courage that each player showed was outstanding.

MISS JENNIFER NELSON
Homecoming Queen

Jennifer receives her flowers from senior cheerleader Donna Mallue.

Jenny and her father walk toward the center of the floor for the crowning ceremony.

Miss Jennifer Nelson had watched for her last three years of high school as the preceding basketball queens were honored by victories from their respective teams. Now in her Senior year and as 1967 Basketball Homecoming Queen, Jennifer reigned over Jackson's first victory of the season on February 4. The Bears pulled a sharp victory over Lehman, 46 to 35.

Jennifer was attended by four lovely young ladies. They were senior, Pam Nusbaumer; junior Cindy Heisser; sophomore, Linda Platzer; and freshman, Barb Harter. The queen and her court were honored at a dance following the game.

The queen and her court were escorted by their fathers for the first time this year. From left to right: Linda Platzer and Mr. Anthony Platzer; Pam Nusbaumer and Mr. Carl Lantzer; Jennifer Nelson and Mr. Eric Nelson; Cindy Heisser and Mr. Roland Heisser; and Barb Harter and Mr. William Melvin.

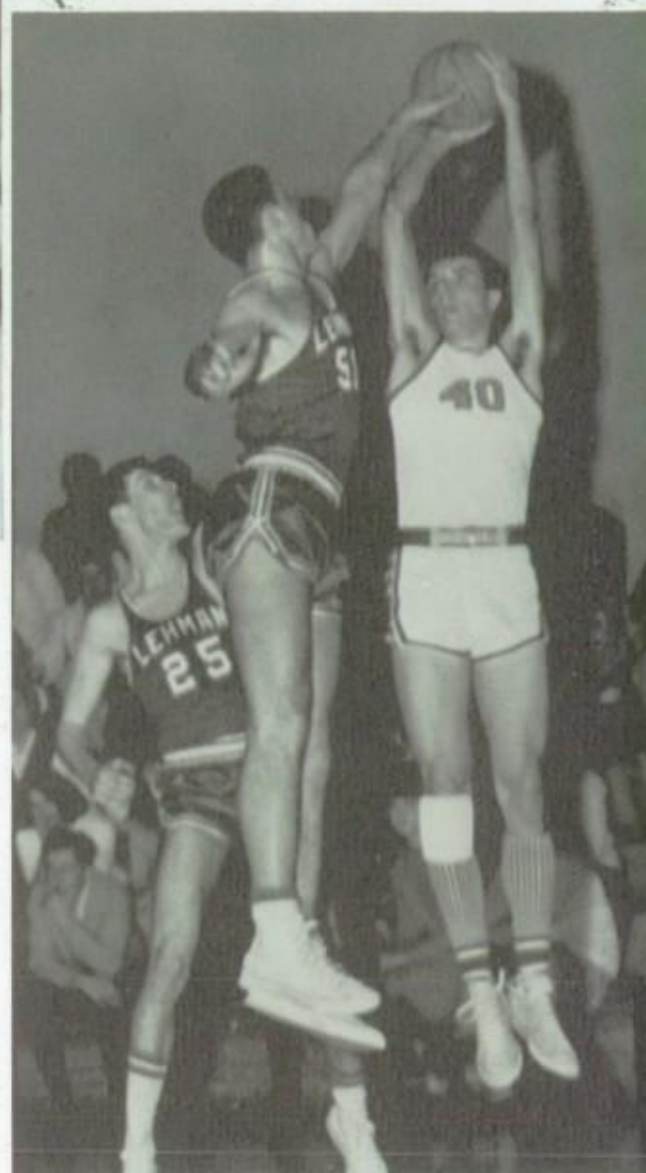

Miss Nancy Stockburger, queen of 1966, crowns Miss Jennifer Nelson, queen of 1967.

John Arigoni and Terri Byers were the co-captains during the Lehman game.

Terry Byers shoots a jump shot for two points against Lehman.

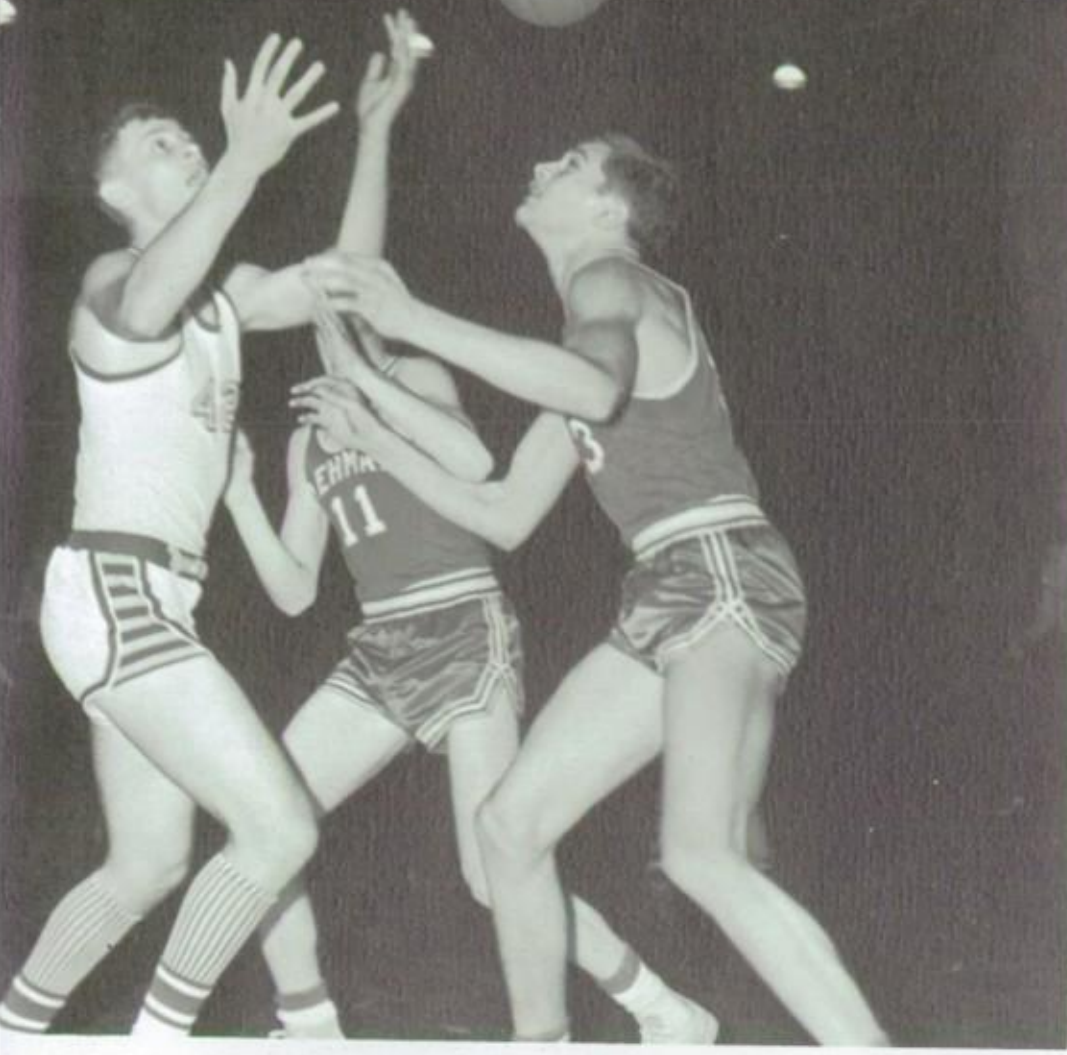

A jump shot by Tom Carnes means two points for Jackson against Marlinton.

Senior, John Stick puts the ball in for a seven point lead over Lehman.

Bill Stark did a great job in rebounding during the Lehman game.

Dave Lodge catches a pass even though he's being guarded by two Lehman teammates.

Senior, Terry Byers bursts through the Polar Bear's head as he is introduced at the game against Lehman.

Dave Lodge, another senior, lays in two points against Marlington.

Wade Huthmacher dribbles past this baffled Lehman member.

Bill Stark jumps high for the tip off against St. Thomas Aquinas.

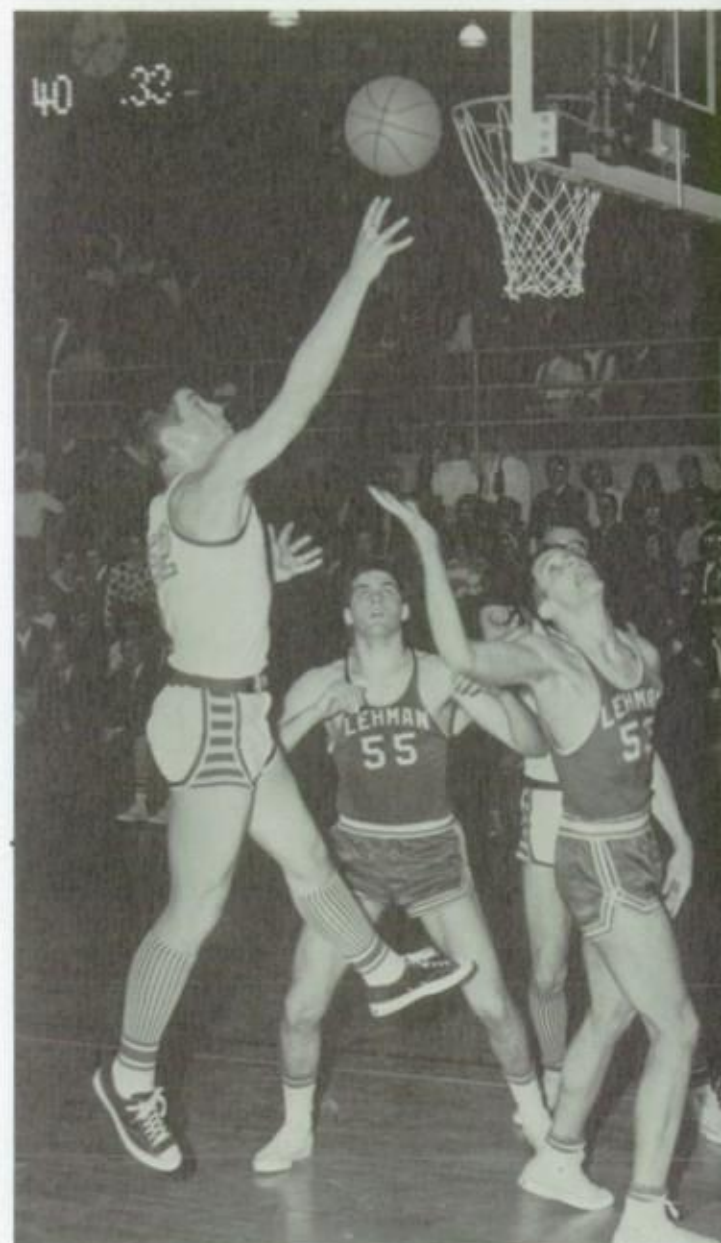

Ken Auble jumps for the rebound.

It looks as though Don Cable just punted for two points.

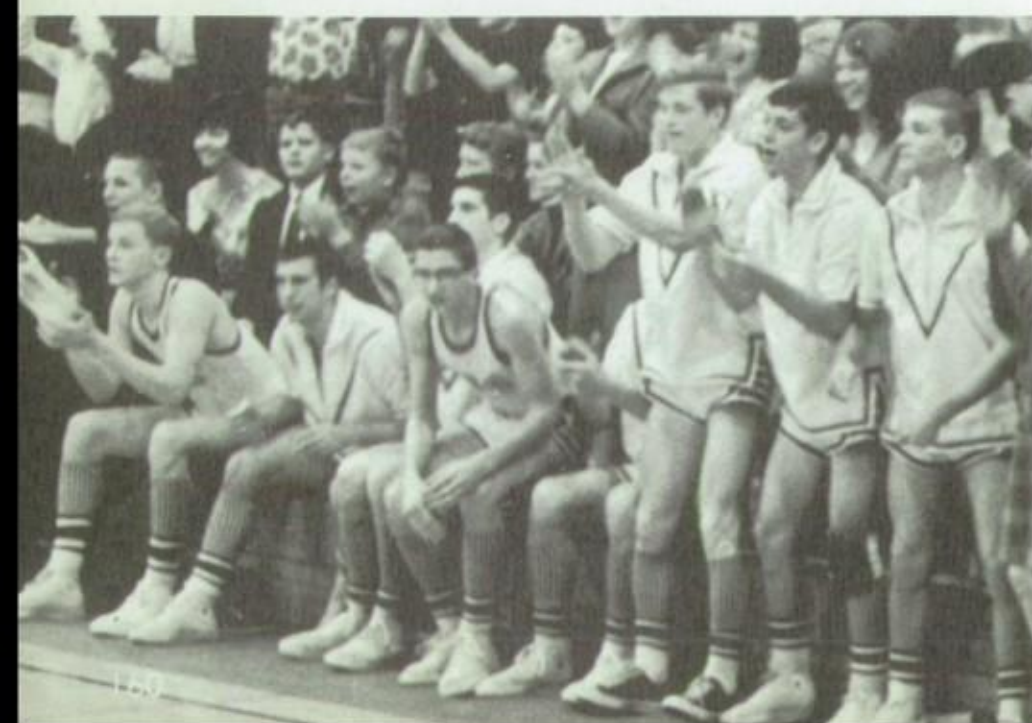

Stabon lays in two more points.

Wrestling

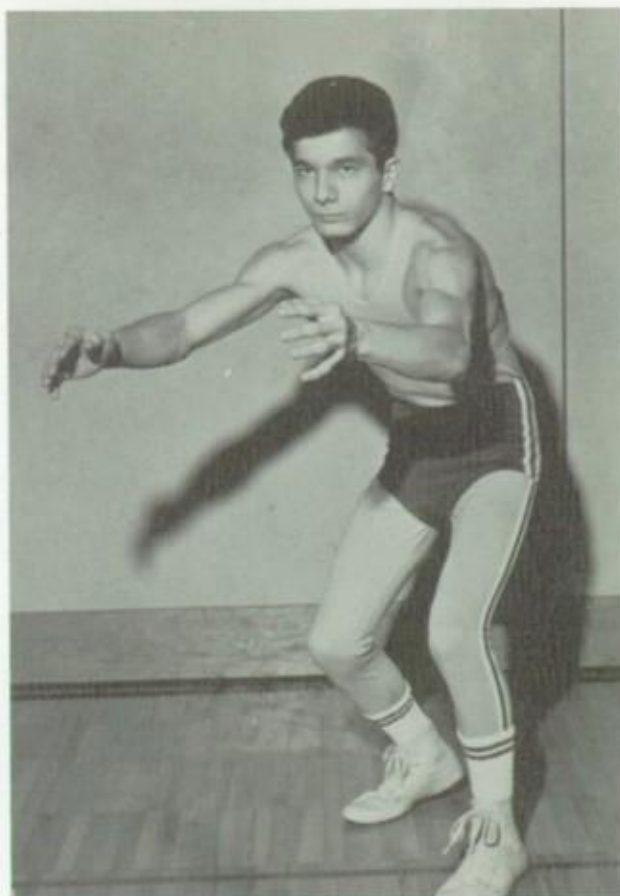

The wrestling team had an outstanding season this year. Under the leadership of Coach Berg, the team headed by a hard core of seven returning lettermen rolled up an impressive 7-3 record and got second place in the league. Many of the meets were very close and the great team spirit was always apparent. All the wrestlers showed great drive and skill. One of them finished first and four finished second in the sectional and went on to competition in the district. The excellence with which the young wrestlers handled themselves indicates that Jackson is here to stay as a wrestling power in the county.

Senior And General

These hall assemblies at lunch can be very interesting.

And here We are indexing?

Maybe Mr. DeMooy should be paying more attention to Gordy; he's daydreaming again (or still)!

Students:

At this moment, the finishing touches are being put on the '67 SCOOP. We have worked hard and long on this book. We think it will be the best in Jackson's history and we hope you will agree with us.

We would at this time like to thank the many people who made this annual possible. Thanks go to Troup and Pluto Studios for the fine job of photography and the help they gave us. Our thanks also to the Taylor Publishing Company and Mr. Rex Johnson, their representative, for answering our many, many questions. Our appreciation also to the companies who bought ads, and to the entire faculty and administration for their patience and cooperation. To Mr. Ramga we would give special thanks. Without his advice, guidance, and long hours of work this annual would not have been the success it is. Again thanks to all who have helped to make the 1967 SCOOP possible.

Sincerely yours,

Karen Bushman and Cindy Rhein
Co-editors

Harry,

So the sweetest guy I know.
You've got the personality and
the looks any guy could wish
for and you're the guy any
girl could want. For all
you've got you're still the
most unselfish guy I know.
Always stay the way that
~~that~~ you are and you'll
always have the friendship
and respect of anyone you
meet. I'll never forget you
and all the fun I've
had knowing you. Good
luck always Love, Danni

An idea can go through anything

Here's a close-up of our new \$5,000,000 facility called Timken Research.

We expect great ideas to come out of this building.

It's located outside Canton, Ohio, about ten miles from our headquarters and main plant.

Timken Research is one of the largest research and development centers in the bearing industry. Here we match up tough problems and inquisitive people. Problems we'll have forever. But how about people?

Who'll be pushing pencils through tomorrow?

Maybe you . . . if you stay in school if you stick to your studies. Career opportunities in research, in engineering, in whatever, are open to those who work. And closed to those who won't.

Remember that unemployment among dropouts is twice that of the general population. And dropouts stay unemployed longer.

Stay in school. Give yourself a chance to get your ideas through. The Timken Roller Bearing Company, Canton, Ohio.

The Pursuit of Excellence

A leading business firm uses as its trade mark an illustration of a hand reaching for the stars. They explain that you don't always get a star by reaching for one; on the other hand, you don't wind up with a handful of mud.

There's a lot to be said for doing the best you possibly can all the time. If you don't, you may never find out how good you are.

"Senior Have The Last Word"

This being the last year in high school for the members of the Class of '67, we thought it would be appropriate for the Seniors to have the "last words". Here are some questions asked of the Seniors on the topics of graduation and high school; and how they thoughtfully (?) answered them.

What have your high school years meant to you?

JILL STARK—High school is the first step in gaining the best things that life has to offer. It is the boy and girl who work to the best of their ability in high school who will build a solid foundation for the future.

KEN ROUSH—My high school years have meant very much to me. They have taught me character and helped me build my personality.

MIKE ROUSH—Although it took me four years to realize it, my high school years have had a big bearing on my life. These have been the years which will decide my future.

BARB HUGHES—My high school years have meant to me four years of drastic change, filled with headaches and happiness. I've grown wiser and more confident.

BARB PREECE—Not much, because I never thought of the future until almost my Senior year. But now it's quite late to worry about it, so I'm not.

DAVE WEBB—My high school years have been a preparation for life. In coming to Jackson this year I have made many friendships which I hope will be lasting ones.

Why are you or aren't you looking forward to graduation?

BECKY HOWALD—I'll be sad when graduation day comes, but yet as I Jackson, and then glance ahead at the future, I am happy and thankful that I am able to pass on to my fellow mankind all the wonderful things that I have experienced through living.

TIM KULLA—Graduation only happens one in your lifetime and man am I glad! The best feeling I have is to know I have a high school education.

CHERYL SUITE—My feelings are mixed; twelve years is a long time. Graduation will seem like ending an important chapter in my life and beginning another, more challenging chapter, filled with new faces and experiences.

MIMI SCHARVER—The only thing I regret is that one phase of life has ended and can't be relived.

BONNIE LYONS—Actually, what I look forward to most is no homework for awhile. At Jackson there's more than enough of that!

SANDI MOBBERLEY—I face graduation with mixed feelings: I will be sad to think of missing my friends and good times, while overjoyed to do what I have prepared twelve years to do.

What feelings do you have about your graduation?

BOB CRAIG—Graduation is going to be a time of sudden insecurity. Right now we are all secure, so why graduate?

ED BREYFOGLE—Graduation is an end, as well as a beginning. As we leave high school, we are only at the beginning of our lives. Graduation is only one more rung on the ladder of life.

PAULETTE HASSEMAN—Nothing will be the same after we graduate. The friendships that I have made will just fade away but the cherished memories that I have of the past four years at Jackson will never fade away.

LARRY PRITZ—I am eagerly awaiting graduation ...
